

**SIERVAS DE SAN JOSÉ
TEAM OF THE CONGREGATION**

To all Communities-Taller
November 13, 2023

Dear Sisters:

We come to each one of you and every Community-Taller to share what has been our work as Team of the Congregation.

We had our first meeting on October 26 with a prayer that disposed us "To the wind of the Spirit" confident that He accompanies us. We made the offering of the work we are initiating together gazing at the Holy Family and our Founders. We, then, opened a space for each one to share how we feel in this new service of leadership, aware that "The mission of the Team of the Congregation is to collaborate co-responsibly in the governance of the Congregation, to reflect on and evaluate its life and mission, to foster communion and interconnection of the territorial entities and to safeguard the living out of the Constitutions" (D. 96). With this disposition we begin our work.

First, we discussed the 150th anniversary of the Foundation, which we will celebrate with joy and gratitude in 2024. We reflected on the suggestions that had already been offered in the previous term from the different spheres and we thought it would be convenient to create a commission with the fundamental task of preparing the opening and closing of the celebration at the congregational level.

The provincial coordinators and those of the clusters linked to the General Team, in the light of their reflections, provided names of sisters and lay persons to form the commission.

- The commission for the celebration of the 150th anniversary of the Foundation, is constituted by:
- Crystiliza Celestial Salomes (Holy Family Province)
 - Josephine Maloba Kapapa (Africa Cluster)
 - Ligia Villoria Castro (Province of Spain)
 - Ana María Calderón Acapana (Peru Cluster)
 - M^a de los Angeles Saucedo (Province of Maria de Nazaret)
 - Rodrigo Diaz Duran (Province of Maria de Nazaret)

- Irene Mwepu Mbayo (Africa Cluster)
